- layout: top-middle name: Super awesome project link: github.com/sproogen github: sproogen/resume-theme quote: > This is probably one of the greatest apps ever created, if you don't agree you're probably wrong. description: | # this will include new lines to allow paragraphs I started this project as a way if learning React and it has since grown into a fully fledged app. I have learned many skills through this and been I'm very proud of having this in my portfolio. If you don't have a project as awesome as this I would advise you make one.

- layout: left name: Harvard University dates: 2010 - 2013 qualification: BSc Computer Science quote: > Established in 1636, Harvard is the oldest higher education institution in the United States, and is widely regarded in terms of its influence, reputation, and academic pedigree as a leading university in not just the US but also the world. description: | # this will include new lines to allow paragraphs During my time at Harvard I learnt most of my key skills that have I have taken through my career such as teamwork and working to tight deadlines. I thouroughly enjoyed my time as university and learnt a lot about a healthy work life balance.

  I spent a lot of my free time as a committee member of the *Harvard Mountaineering Club* taking on roles such as *Trip Secretary* and *Vice-President.*
